WHY RUN FOR TEAM IMPACT?

Team IMPACT's unique multiyear program matches children facing serious illness and disability with college athletic teams across the country. Our mission is to guide children and teams alike in a mutually beneficial relationship of belonging, empowerment, and resilience. Through this program, our vision is to create a world where every child facing serious illness and disability feels supported by something bigger and every team is transformed by a greater purpose. **When we're all in together, we all win together.**

YOUR COMMITMENT

Team IMPACT is an official John Hancock charity partner of the 128th Boston Marathon being held on Monday, April 15, 2024. We are seeking applicants for our team who have a passion for running and are committed to supporting the Team IMPACT mission. A qualifying time is not required for participation, but applicants must be able to complete the marathon in six and a half hours or less. Funds raised by the Team IMPACT Marathon Team will benefit the Team IMPACT program and help to expand the organization's outreach and expansion efforts. Runners receiving a guaranteed invitational entry bib from Team IMPACT will be required to raise a minimum of \$12,500. Team IMPACT will support each runner's individual fundraising efforts with a GivenGain fundraising page and publicity through our social media channels. Team IMPACT will also provide a comprehensive training plan and support network through the Heartbreak Hill Runner's Club, which includes both in-person and virtual resources including beginner and intermediate training plans.

NOTE: All runners participating in the 2024 Boston Marathon must have received the COVID-19 vaccine to participate, as required by the BAA. Please reference the official BAA website for the most up-to-date information.
